Series 1200 Replacement Double Hung Window

The Series 1200 Replacement Double Hung Window provides aesthetic appeal and energy efficiency in a modestly priced window. A long list of standard features, combined with a multitude of performance and design options, let you create a window that will not only fit your needs, but your budget as well.

Energy Efficiency: Energy efficient 5/8" insulated glass for comfort and energy savings. Dual weatherstripping provides an energy efficient virtually weather-tight seal.

Durable Construction: Fusion-welded vinyl construction creates a strong weather-tight window. The multi-chambered frame and sash provide increased rigidity to stand up to the elements.

Beautiful Addition: A beveled exterior profile will give your home a clean, modern look at an affordable price. Optional grilles are available in several patterns to create a window design to enhance any home.

Low Maintenance: Trouble free vinyl never needs painting, and it's solid construction make scratches almost invisible. Both sashes tilt into your home for safe, easy cleaning.

Limited Lifetime Warranty

Top and bottom sashes tilt in for easy cleaning from inside the home

When Shopping For Windows, Look For ...

...**ENERGY STAR**® rated windows. Windows that are **ENERGY STAR**® rated are deemed to be energy efficient by the US Department of Energy.

The Series 1200 Double Hung Window with optional LoE² Glass is **ENERGY STAR**® compliant in all four climate zones.

| | |
|---|-------------|
| NFRC MFG CODE: SIL Series 1200 Vinyl Double Hung Window 5/8" LoE ² Insulated Glass | |
| ENERGY PERFORMANCE RATINGS U-Factor (H1, J1, P1) Solar Heat Gain Coefficient | |
| 0.35 | 0.33 |
| ADDITIONAL PERFORMANCE RATINGS Visible Transmittance Air Leakage (H1, J1, P1) | |
| 0.57 | 0.2 |

The **NFRC** label provides the U-factor and solar heat gain coefficient ratings of a window. The lower the U-factor, the more you'll save on heating bills. A low SHGC rating will help save on cooling costs.

The Series 1200 Double Hung Window has been tested and certified to NFRC standards for energy efficiency.

| Glass Type | U-Factor | SHGC |
|-------------------------|----------|------|
| Clear | 0.49 | 0.62 |
| LoE ² | 0.35 | 0.33 |
| LoE ² /Argon | 0.32 | 0.33 |

AAMA is a nationally recognized authority, developing voluntary standards to test and validate the structural performance of windows, doors and skylights.

The Series 1200 has been tested and certified to AAMA design pressure (DP) standards. The higher the DP rating, the stronger the window.

| Window Size | DP Rating |
|-------------|-----------|
| 44" x 60" | DP-35 |
| 48" x 77" | DP-25 |

©Silver Line 2005. Silver Line cannot warrant that inert gas infills (such as Argon or Krypton gas), sealed in the insulated glass unit at the point of manufacture, will not dissipate over time. The very gradual migration of the inert gas infills is a natural occurrence. Silver Line reserves the right to change product designs, specifications, details and pricing at any time without prior notification.

Glass Options

Silver Line offers several types of glass for just about any requirement. From energy savings, to sound control, to privacy, one of our many choices is sure to meet your needs.

Energy Saver LoE² Glass - Reduces heating and cooling costs while keeping your home more comfortable all year long. Also reduces fading to window treatments, furniture and floor coverings caused by harmful UV rays.

Other Glass Choices Include:

- Tempered Glass
- Tinted Glass
- Obscure Glass
- Laminated Glass
- Argon Gas

Grille Options

Maintenance Free Grilles - Grilles are sealed inside the glass unit, providing the look of muntins without the difficulty of cleaning them. Choose from two different grille types: flat or contour grilles. Several grille patterns are available, including Colonial, Prairie and Diamond patterns.

Colonial

Prairie

Diamond

Color Options

All Silver Line vinyl windows are available in white and beige. The color is consistent throughout the vinyl window frame and sash, making scratches virtually invisible.
