## Series 7500 Replacement Casement Window

The Series 7500 Casement Window is the perfect balance of form and function. This attractive, contemporary window design provides a lifetime of energy efficient, low maintenance performance. From traditional charm to contemporary elegance, the Series 7500 offers an array of window designs that will complement the style of virtually any home. The energy saving, low maintenance design and many features of this remarkable window exemplify Silver Line's commitment to providing expertly engineered windows that meet the needs of our customers.

**Appealing Options:** The Series 7500 Casement Window features clean, elegant sightlines and a beveled exterior to enhance the appearance of your home. Create a dramatic, one-of-a-kind design with one of several arrangements, including twin, triple or quad casements as well as picture window combinations. An assortment of color and grille options let you tailor your windows to complement the unique personality of your home.

**Energy Savings:** Multi-chambered vinyl windows insulate as well as, or better than, just about all other window materials. 7/8" Warm-Edge insulated glass keeps your home warmer in the winter and cooler in the summer while helping to reduce energy bills. Dual weatherstripping seals out drafts for a more energy efficient home.

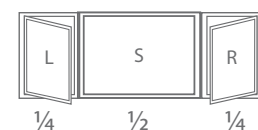

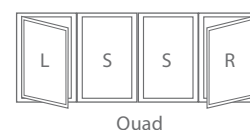

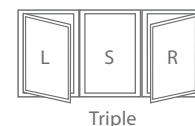

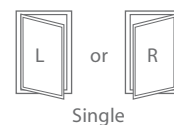

**Virtually Maintenance Free:** Vinyl windows will not peel, chip or crack, therefore never need painting. Vinyl can be easily cleaned with soap and water, keeping your windows looking as new as the day they were installed. Screens can be effortlessly removed from inside the home for easy cleaning.

**Superior Performance:** Fusion-welded vinyl construction creates a strong, weather-tight window. Specially designed operating hardware provides smooth, easy operation. The multi-point locking system ensures a weather-tight seal while offering added security.

**Limited Lifetime Warranty**

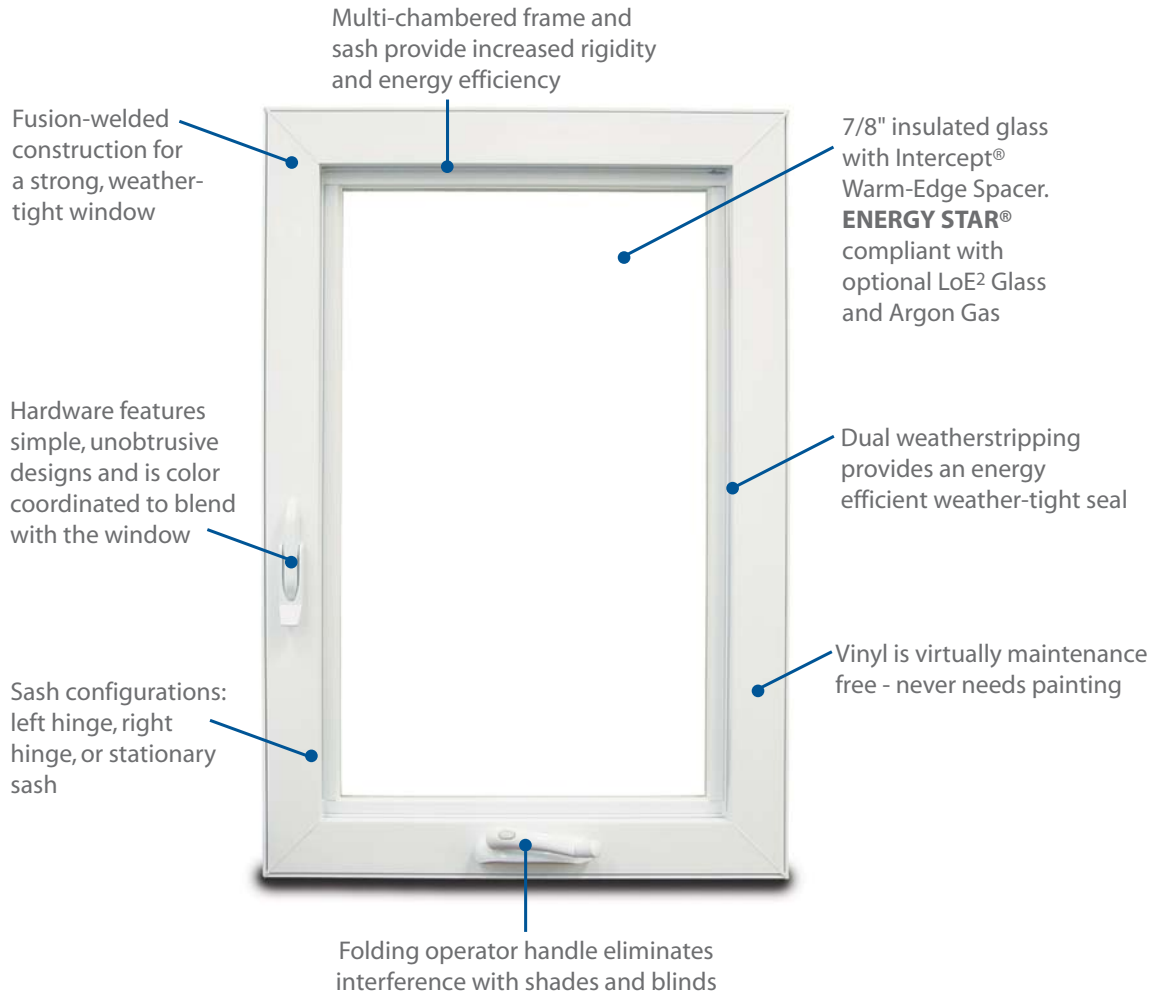

Folding operator handle eliminates interference with shades and blinds

## When Shopping For Windows, Look For ...

...**ENERGY STAR**<sup>®</sup> rated windows. Windows that are **ENERGY STAR**<sup>®</sup> rated are deemed to be energy efficient by the US Department of Energy.

The Series 7500 Casement Window with optional LoE<sup>2</sup> Glass and Argon Gas is **ENERGY STAR**<sup>®</sup> compliant in all four climate zones.

<b>NFRC MFG CODE: SIL</b>	
Series 7500 Vinyl Casement Window 7/8" LoE <sup>2</sup> Insulated Glass	
<b>ENERGY PERFORMANCE RATINGS</b>	
U-Factor (U.S.A.P.)	Solar Heat Gain Coefficient
<b>0.36</b>	<b>0.30</b>
<b>ADDITIONAL PERFORMANCE RATINGS</b>	
Visible Transmittance	Air Leakage (U.S.A.P.)
<b>0.49</b>	<b>0.1</b>

The **NFRC** label provides the U-factor and solar heat gain coefficient ratings of a window. The lower the U-factor, the more you'll save on heating bills. A low SHGC rating will help save on cooling costs.

The Series 7500 Casement Window has been tested and certified to NFRC standards for energy efficiency.

Glass Type	U-Value	SHGC
Clear	0.48	0.53
LoE <sup>2</sup>	0.36	0.30
LoE <sup>2</sup> /Argon	0.32	0.30

**AAMA** is a nationally recognized authority, developing voluntary standards to test and validate the structural performance of windows, doors and skylights.

The Series 7500 has been tested and certified to AAMA design pressure (DP) standards. The higher the DP rating, the stronger the window.

Window Size	DP Rating
57" x 60"	DP-40
60" x 72"	DP-30

## Glass Options

Silver Line offers several types of glass for just about any requirement. From energy savings, to sound control, to privacy, one of our many choices is sure to meet your needs.

**Energy Saver LoE<sup>2</sup> Glass** - Reduces heating and cooling costs while keeping your home more comfortable all year long. Also reduces fading to window treatments, furniture and floor coverings caused by harmful UV rays.

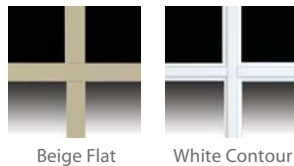

## Other Glass Choices Include:

- Tempered Glass
- Tinted Glass
- Obscure Glass
- LoE<sup>2</sup> Glass/Argon Gas

## Grille Options

**Maintenance-Free Grilles** - Grilles are sealed inside the glass unit, providing the look of muntins without the difficulty of cleaning them. Choose from two different grille types: flat and contour. Several grille patterns are available, including Colonial, Prairie and Diamond.

Colonial

Prairie

Diamond

## Color Options

All Silver Line vinyl windows are available in white and beige. The color is consistent throughout the vinyl window frame and sash, making scratches virtually invisible.

White

Beige

For color matching purposes, request a color chip.
